

# RIVER BEND

## OUTDOOR EDUCATION PROGRAM

The Sacramento County Office of Education is hosting outdoor Education camps along the American River for students in grades 4–7. Students will participate in engaging, hands-on science learning experiences during field trips at the River Bend Outdoor Educational Site, in collaboration with the American River Parkway Foundation.

The River Bend Outdoor Education Program is designed to support the Next Generation Science Standards as well as the Environmental Principles and Concepts. Students will experience activities that reflect the beauty, season, and history of the American River.
